

BrandMaker Brand Portal

Improve Communication Through an All-In-One Portal

BrandMaker Brand Portal gives decentralized teams, dealers, and partners access to brand guidelines, corporate marketing materials, and templates. Put self-service online templates in the hands of business users, which enable them to adapt print and digital content to local needs, while always staying in the brand guidelines. Create, print, and distribute marketing materials on demand and deliver the exact quantities you need via an integrated shop system.

Key benefits:

- Stay in control of design integrity and branding
- Self-service high-quality marketing collateral
- Local partner can easily promote, sell, and deliver products
- More effective buyer targeting with highly tailored/localized materials
- Achieve a shorter time-to-market with self-service online templates

Key features:

- Central data storage of brand guidelines, marketing materials, and best practices
- Create, adapt, or localize marketing assets with self-service templates
- Single sign-on for quick and easy access within your enterprise
- Process marketing materials directly to print shop, agency, or publisher

Maintain control over your corporate identity and your brand assets, while empowering people to quickly customize digital marketing assets.
